CARRIER

30TB

Designed to take on unpredictable jobs, the 30TB carrier delivers outstanding efficiency and reliability. Its lower deck height, lightweight yet robust structure, and powerful hydraulic components make it exceptionally versatile. With a 15-ton deck capacity and a 7.5-ton tow bar, the 30TB is always up to the task. Truck recovery? No problem. Load up heavy machinery and tow a car, all at the same time. Make the most of every mile.
